All class costs are based on a 32 week year.

September & May are short months for us, so only a partial payment is due for classes. October through May please choose the payment option that works for you, monthly or year in full. Please Note: Tuition is non-refundable. Auto charge is also a great option!

To reserve your place in class at a favorable time, please complete the registration form attached and promptly return with your September payment. The registration fee of \$25.00 is per family and should be added to the September payment. A 5% discount will be given for tuition paid in full for the year if paid before September 19th 2022. **No refunds or credits!**
